**What an AMAZING home!!**

Rainbow Cove is a luxurious place to stay in St. Croix. While the pictures provided are amazing...the place is even more magical in person. The details in this home are spectacular! I took my two young adult children...ages 20 and 18. My daughter and I stayed in the main house, and my son stayed in the cottage. We each enjoyed our own private spaces, and when together, we hung out at the pools, in the kitchen, on deck over looking the water, or watching a movie together. While the home is bit of ...

**Relaxing stay watching turtles**

Rainbow Cove was a gorgeous villa with a gorgeous view. Up on a cliff but could still hear the ocean. We spent a ton of time watching the turtles below come up for air. At least 5 turtles all the time. Pelicans were also constant visitors. We had a minor issue the first day of our stay and the owners were super responsive. Excellent hosts! Would stay here again for sure!!!

**Amazing**

I could go on and on - but really just encourage a stay to experience yourself. The owner went out once for an hour which we took full advantage of by the pool where we all fell asleep with the sound of crashing waves and cool breezes. More than the home - St Croix is beautiful and home to extremely nice locals. In all my travels , I've...

#### A true paradise

Our first visit to Sr Croix and definitely not our last. The place was true to description and even better. Comfortable and beautiful accommodations. Clean and nicely decorated with all amenities. Plush bath towels, soft linens. The view of the ocean cannot be topped, and the constant sound of the waves was so nice to wake up to and sleep to at night. I loved watching the sea turtles from the pool patio and watching the stars at night. .Our communication with the host was super easy and...
