### Amazing Home with a Great View!

We thoroughly enjoyed our stay at The Pearl! The layout was perfect for the two of us and the decor was beautiful! The unit was well equipped with everything we could possibly need for our stay! The ocean views were spectacular and Scott was very attentive and helpful. We look forward to visiting again!

**Great Stay!!!**

We thoroughly enjoyed our St Croix vacation; the best part of our trip was The Pearl at Cane Bay. Very accurate description of property; responsive hosts; wonderful location; privacy; falling asleep and waking to the crashing waves, within walking distance to a great beach, restaurants and delicious breakfast food truck; outstanding amenities and extras (chairs, towels, and beach bags, coolers, on point suggestions for dining, sightseeing, etc.)

This was a bit of a financial splurge for us (55th birthday). We're so happy that we selected this property. Scott & Tammy, Thank you for sharing your home with us!!!

### Simply Amazing!

Pictures can be deceiving, but in this case, seeing this beautiful home in person was even better than we imagined from what we saw online! This property was meticulously maintained...extremely clean and well taken care of. It sits above the ocean on a cliff with the sound of waves crashing below and ocean breeze which made taking an afternoon nap or reading a book on the veranda absolutely perfect. The private pool and patio was a nice retreat which we enjoyed every day. This home came with every amenity that we needed, from beach chairs and a cooler to a raft in the pool. We really liked that there were restaurants and a nice beach that was only a short walk down the road. After exploring St. Croix, we found this section of the island to be our favorite place...how lucky were we!? Also, I run daily and found that North Shore road between this home and the Carambola Resort or Salt River Marina to be an good place to run which is not easy to find in the Caribbean. We will definitely come back someday!

### Uncomfortable from first day

As a previous renter stated maintenance people where present and are instructed to report to the owner anything they find irregular. We didn't appreciate being spied on by someone that's job is maintenance not odor detection. The owner needs to get all the facts first before accusing someone of wrong doing.

It's sad that a small amount of people can ruin things for others. These renters (not able to refer them as guests) completely disregarded the contract they signed which clearly states NO SMOKING anywhere on property. As a result there was a strong smoke odor detected by our property manager inside our home while they were there to treat for our monthly pest control. This visit is scheduled and was cleared with the renter before they arrived. Not spying. Just taking care of our home. We take care of

our properties and ask our guests to respect them. These folks unfortunately did neither. They were and are disrespectful to our rules and to us as property owners. They were/are mad because they got caught acting in a way that shows their lack of integrity. If you smoke or don't tell the truth, our island home is not for you. If you are a person of your word, you will be thrilled as you can tell by our numerous 5 star guest reviews.

### Just stunning!

Absolutely beautiful property and the views were amazing! We walked to Landing restaurant for dinner and brunch on Sunday and the food was great! Highly recommend and will be back.

**“The Pearl” is Truly a Gem!**

We really don't want to give an honest critique because it will only make it more difficult to reserve! The home is so comfortable and beautiful! All the positive comments online are accurate; and, the host was so accommodating and helpful. We recommend you check in first before shopping for groceries. We were pleasantly surprised that the cleaning staff left prior tenant's "staples"...olive oil, salt, pepper, k-cups,catsup, jelly,

mayo, etc. God blessed us with beautiful rainbows over the ocean and a performance of whales feeding directly in front of The Pearl! We hope to return next year! ~~Thank you!!

### Just book it!

Gorgeous property with the absolute best views!! Conveniently located, but it is definitely private. We left the windows and doors open the whole time when we were there. It was wonderful waking up to the sounds of the surf and birds, then being lulled to sleep every night by the crashing waves. Scott was very responsive and helpful with suggestions. We fell in love with St Croix during our first visit last year, and now after this stay, we are obsessed!! We will definitely be booking this property in the future if just the two of us visit. Thanks for sharing your beautiful property, Scott!

### Paradise ( Crashing waves that never end )

This home is stunning in every way. There was not one single thing that wasn't perfect. Located atop a cliff in Cane Bay overlooking the beautiful Caribbean Sea, this place has it all. The main floor boasts a lovely kitchen which has everything you could want if you prefer to cook at home ( we do). Adjacent to the kitchen is the super comfy living room which opens out into a spectacular deck overlooking the sea. We ate our meals on the deck

and enjoyed our evening wine there as well. The beauty of the water and sound of the crashing waves is captivating. A short staircase brings you to the bedroom with en-suite bathroom. The bedroom features a king size bed and sitting area opening out onto another oceanfront deck. My husband is an early bird and by 5am each morning he was drinking his coffee on the deck, marveling at the birds, fish and other sights. The entire house is professionally furnished and decorated - honestly we felt like we were at a spa! Here is the icing on the cake, in the gated yard there is the most beautiful dipping pool , again situated to take advantage of the spectacular views! The home is gated and secure with a security system - we felt incredibly comfortable and safe Our host Scott was easy to communicate with throughout our stay. We've travelled quite a bit and can easily say this is the very best VRBO we have stayed in. If you vacation in St. Croix, stay at The Pearl at Cane Bay!

## Spectacular!

This home is an absolute gem - exactly as advertised. Incredible oceanfront setting, comfortable furniture, lovely pool, easy walk to 3 beach bars/restaurants. Communication with the owner was a breeze. Truly the most relaxing vacation we've ever taken. If we could give this home a 10-star rating, we would. This is where we will choose to stay when we return to St. Croix in the future!
