Amazing vacation!

Our stay at the Salty Pier beach house was spectacular! The view of the beach/ocean was just what we were looking for. My friend and I both had our own bedroom/bathroom with an ocean view, what a wonderful way to wake up in the morning. The snorkling was wonderful right off the beach at the house. Right down the road we walked to Rainbow beach and enjoyed a wonderful meal and sunset, along with watching the cute dogs on the beach. Cruzan Cowgirls horseback ride in the rainforest a...

Salty Pier 2023

We really loved staying at the Salty Pier! The place was everything we wanted in a vacation home. The only thing we would recommend is to be sure and wear some bug spray if you intend to sit out on the beach after dark. Can't wait to come back again!

Private beach...need I say more!

This house was sooooo much better than any picture. The owners were lovely to deal with in all aspects. The house is DIRECTLY on the water and the sounds of the waves crashing on the rocks is absolutely amazing! The screen porch was so wonderful to watch the sunset with no mosquitos!

You will not regret booking the Salty Pier

What a lovely home to stay at with everything then some. No need to leave the home once you pick up groceries unless you want to. The beach in the back yard was lovely! Loved looking at all the shells, sea glass and snorkeling. Feeling relaxed and and sad to leave!

About the host

Your host

Once we visited St. Croix, we knew this was an island we wanted to visit often. When we walked in the front door of this home and saw the impeccable turquoise beach water and its surreal sunsets, we were instantly hooked. One of our favorite things to do on the property is sitting out back on the beach with our morning coffee (or afternoon cocktails) and often getting to catch dolphins or turtles in view. This home is also conveniently located on the West End which offers the most tranquil waters in St Croix, stunning beaches, and incredible world-class snorkeling/diving at the Frederiksted Pier.
