Amazing vacation!

Our stay at the Salty Pier beach house was spectacular! The view of the beach/ocean was just what we were looking for. My friend and I both had our own bedroom/bathroom with an ocean view, what a wonderful way to wake up in the morning. The snorkling was wonderful right off the beach at the house. Right down the road we walked to Rainbow beach and enjoyed a wonderful meal and sunset, along with watching the cute dogs on the beach. Cruzan Cowgirls horseback ride in the rainforest and on the beach was the best! Mike's taxi was great, he took us to Christiansted for the day. Great food and shopping. Fredricksted we walked to, had a nice little grocery store and a bar and grill I believed called Top of the Grill, nice place to play a game of pool and have a drink.

Overall our visit to St. Croix was just what I was looking for; serene, relaxing, and I will miss waking up to the sight and sound of the ocean.

Salty Pier 2023

We really loved staying at the Salty Pier! The place was everything we wanted in a vacation home. The only thing we would recommend is to be sure and wear some bug spray if you intend to sit out on the beach after dark. Can't wait to come back again!

Private beach...need I say more!

This house was soooo much better than any picture. The owners were lovely to deal with in all aspects. The house is DIRECTLY on the water and the sounds of the waves crashing on the rocks is absolutely amazing! The screen porch was so wonderful to watch the sunset with no mosquitos!

You will not regret booking the Salty Pier

What a lovely home to stay at with everything then some. No need to leave the home once you pick up groceries unless you want to. The beach in the back yard was lovely! Loved looking at all the shells, sea glass and snorkeling. Feeling relaxed and and sad to leave!

Relaxing in St. Croix

I was so pleased with the beach house! It was clean, spacious, and had everything we needed. We used the kayaks to explore the beaches around us, prepared meals and delicious cocktails in the well equipped kitchen, watched the sunset from the beach "in the backyard" and slept to the sound of the ocean waves in very comfy beds. I highly recommend this property and hope to return soon!

The only bad part is leaving...

Fantastic house on the nice side of the island. Great beach right out the door. We had a wonderful time and can't wait to come back. House had everything we could ever need. Tips and tricks from the owners were spot on and very helpful. We will be back!
