We were there for a week and had a great time. The house was everything you could ask for. Highly recommend it.

The house was amazing, clean well stocked, right on the beach with a view of Buck Island. Located in the quiet East end but only 15 minute drive to Christiansted.

Good wifi with Sonos music system. The only thing they could improve would be the mattress in the master bedroom.

Two Palms perfection.

This was a beautiful house and we spent two wonderful weeks there in January. The location is perfect, with the beach a few steps down the path, and a lovely pool (water and sea at the same temperature!). The location is very private yet close to excellent restaurants and a convenient grocery store. My husband enjoyed grilling and we spent most of our time on the wide patio. The house is extremely comfortable and has all the equipment for a relaxed stay. The property manager was easy to reach and kept us informed of the timing of the maintenance visits (pool, landscaping etc.) Excellent service from the entire management team. We will definitely be back, possibly for a longer stay. In fact, we already regret that we had to leave!

My husband and I have visited St. Croix many times and have stayed in different homes in this same "neighborhood". This house is by far our new favorite. It looks just like the photos and exceeded our expectations. The house is clean, has air conditioning in every room, has an awesome generator, great cell reception, really comfortable indoor and outdoor furniture, and is convenient to many great restaurants (Duggans, Bluewater, Castaways). The house has a great
