Wonderful house!

We had a great stay at Two Palms! The highlight for us was being on a swimable beach. The house suited our needs perfectly...Well stocked and comfortable. Loved the outdoor space and Buck Island view. The only thing to note that is not in the description is the 3rd bedroom – while it is attached to the house is only accessible through an outside door off pool area. Also it does not have AC which at most times of the year isn't an issue, but in the heat of summer might be. We look forward to our next stay at Two Palms.

The house was amazing, clean well stocked, right on the beach with a view of Buck Island. Located in the quiet East end but only 15 minute drive to Christiansted. Good wifi with Sonos music system. The only thing they could improve would be the mattress in the master bedroom.
