Wonderful, idyllic stay, in a property that is better in person / IRL, versus the already good pictures! Cindie was a great host and communicator, and I'd stay here again, in a heartbeat! Because of the location, would recommend renting a car - just much easier to get around.

I have lived in St Thomas for over 45 years. My husband Jon and I live on the Northside of the island 1,200 feet high upon St Peter Mountain. My husband is an artist in wood, he makes chairs out of mahogany and beautiful boxes. I spend my free time sewing .I love calling the islands my home. I can help you with recommendations for things to do on the island and whereto dine. I have been managing properties for over 15 years.
