The view was priceless. Easy to get to the beach and Laurel was very responsive to our needs! The beds were very comfortable!! And the deck was spacious and provided us with a beautiful view every morning. Rent a Jeep the road up to the house is rough!

Dragonfly is a paradise! Our family of 6 stayed a week, and honestly, could have stayed a month!! The house was comfortable, well-appointed, clean, quiet, and the host was always very quick to respond to any messages I sent. There was plenty of room to have privacy, yet the arrangement of the kitchen and common spaces made family together time easy. Would definitely stay here again! It is a 5 minute or less drive to Cane Bay.

Great host, wonderful location, and super clean - we loved how pretty the view was and such a nice experience anytime we communicated!
