Paradise at Vista Del Mar

This home and the property are truly something special. From the moment you step onto the property you will be wowed by all the beauty that surrounds it. We stayed for a week in June and it was an absolute oasis. Laura makes the entire place really feel like your own home. Nothing is overlooked, from the amazing kitchen with top notch everything, to the linens and towels in the beautiful en-suites, to the comfy seating and lounging areas outside with the most amazing views, Laura goes above and beyond to make the house your own private villa. The decor and furniture was beautiful but comfy. Laura was so thoughtful and left us an amazing welcome tray with all kinds of goodies. She met us to have her follow her up to the house when we arrived to make it easier

(lower, upper upper 😊) to find. She showed us around and told us tips and tricks of the island and then left us to it! She was always available to ask for dinner recommendations or the best beaches to try. And we got to get our puppy loving on adorable Lilly when she came for a little visit in the yard. Absolutely loved the property, the island, the owner, and hope to be back to Vista Del Mar again soon. Thank you Laura for everything!

Little slice of heaven in St. Croix

We found our week long stay at Laura's residence to be unforgettable! From the beautiful views, well groomed and colorful landscaping, the pool, fire pit and well stocked home, our stay was a perfect kid-free getaway for 3 couples! Laura was always eager to help us plan dinners out if needing suggestions or to answer any questions we may have had! We enjoyed a beach day with snorkeling in Fredricksted (Louie's Nachos Bar), sunset dinner at AMA, Mother's Day brunch at Caroline's, a ferry ride to Hotel on the Cay for some beach bbq, a chartered snorkel tour to Buck Island, and ended our week with another sunset dinner at Duggan's Reef for Lobster! We came away from this vacation rested, happy and eager to plan our return. This property is a must stay when visiting St. Croix! You won't be disappointed!

Amazing Golden Girl Trip in Awesome Villa

My days and hours spent pouring over every detail in all available villas in St. Croix were well spent as I'm convinced that we couldn't have found a more amazing place on the entire island! I'll admit that I am very particular to every item which includes great outdoor furnishings (as well as indoors), comfortable bedding and fully stocked kitchens and I was NOT disappointed with Vista del Mar! The 180 views were beyond spectacular from sunrise to sunset and the gorgeous landscaped yard provided privacy along with a tropical feel. The

bedding was divine, I've even ordered some for my home now. The adjustable beds were an extra too! Well stocked in everything you need for an island vacation, down to boogie boards, coolers and water shoes. The owner Laura went out of her way to make sure we had every comfort and even offered to come home to help us one day when we found out we had a flat tire in her driveway! Thankfully the car rental place took care of it for us but she was ready to assist. The covered outdoor kitchen, the adirondacks around the firepit . . .If you're looking for every comfort THIS IS THE PLACE.

A nice house for an island but not accurately listed

I will try to keep this short and kind. We spent a lot of money to find out that the property isn't truly your own place. The property manager lives along side the pool/courtyard area. The owners said they didn't mind my wife wears skimpy swim suit but that's a deal breaker for us. In our opinion this defeats the purpose of renting your own place for a couple weeks. Then to find out there's cameras all over the place upon arrival. These details were not accurately listed when we rented the house until after we complained. We literally didn't want to be at...

STUNNING

Laura was a phenomenal host. Her home was well stocked with everything you could possibly need (and more!). She left us a sweet welcome gift, guided us through the house when we arrived, and was always available with suggestions for things to do and see on the island. (Note: She lives on the property but unless we reached out to her she was unnoticeable.) You can NOT beat the views and comfort her home provides. 10/10 would stay

again. You will not be disappointed. (Final thought- the drive to her home is a bit rocky and kind of steep, so I recommend renting a jeep or something similar that can handle the road. BUT TOTALLY WORTH IT!!!)

Absolutely Amazing

We just got back from a week's stay at this property and I can't begin to tell you how absolutely perfect this property is and how wonderful the owner, Laura is. This was our 3rd time visiting St. Croix and our first time staying at his property and I can honestly say this is hands down the best property we stayed at. The house is absolutely beautiful and Laura has provided everything you could possibly want in every room of the house. The 180 degree views of the ocean are breathtaking. Yes, Laura stays in the house next to this one, but honestly, you will be glad she is there, unless you have a question for her, you never really see her. We asked her for several restaurant suggestions and she was very helpful in giving us some great suggestions, every one of them was great. The outdoor space at the property is more than anyone could ask for, a beautiful pool with plenty of lounge chairs and other chairs to sit around the pool, the fire pit area and the beautiful outdoor kitchen. We would definitely rent this house again.

Amazing Property

Book this property! From the moment we arrived we were a bit awestruck. The property is exactly as advertised and spectacular. The pool area is gorgeous. Our two teenagers loved the pool and the pool toys. As the sun moved, there was always somewhere comfy around the pool you could sit in the sun or in the shade. The home is exceptionally clean and I don't say that lightly. She has thought of so many details that I've never seen a VRBO owner care about and execute so incredibly. The kitchen is GORGEOUS and was great for cooking every day. The power went out for a bit one day (it was super windy and rainy). Laura texted me and offered to turn on the generator. I told her that we were okay (we were reading and playing games) but she turned it on anyways after a short while which was pretty great so that we were able to watch movies. Happily, regular power was restored after not too long. We knew Laura lived in a cottage on the property and worried about privacy, however that was not an issue. We saw her briefly most days if we were outside, but she was just checking in to see if we needed anything. We loved her and her beautiful home! I'd have liked a few hooks outside to hang sandy beach towels and/or suits since we didn't want to bring them inside or leave them on her awesome outdoor furniture or

railing all night. That isn't a complaint... small detail that may help keep sand out of the home... particularly with kids:) Thank you for the opportunity to relax at your home! AMAZING!

St. Croix Paradise

Property was spotless and the decor was beautiful. Laura was easy to work with and answered all my questions. She met us upon arrival to make sure we could find the home the first time. Everything you could possibly need was provided, including pool and beach towels and beach chairs. We spent more time lounging at the home than we thought we would because it was so comfortable with the ocean breezes and views. There's also a built in ice machine in the kitchen that we all loved and want now at home! We can't wait to come back! It was a great week with friends and having this home to come back to was the icing on the cake!
