### Relaxing

The property was private enough to make you feel like only a few others existed, but close enough to the action. The house is clean, spacious, and absolutely gorgeous. Our host Erin is incredible. She was on point for our every need, and went out of her way to make sure we were comfortable.

**THE BEST STAY EVER!**

Beautiful, lovely, well stocked. Looking out the Caribbean Sea - the most awesome daily views ever. Well stocked house and clean. Lots of room for everyone. Please be aware that you will need a car or a driver because of the rugged terrain.

We are a group of 8 friends who stayed for the week. Mike and Erin are fantastic hosts for this beautiful home. They were available for any of our needs at any time. We loved the house, the view, the area and would return in a heartbeat. Thank you Mike

### **St Paddy's Getaway**

House was great, beautiful views of Buck Island. We had a few issues that are not unexpected when staying on the island and Mike and Erin were very responsive and accommodating. I would definitely recommend staying here.

**Cheers to 50 years!**

My parents were celebrating their 50th wedding anniversary and we surprised them with a week in St. Croix. After spending many hours googling and researching places to stay that would accommodate our party of 12 (age ranges from 18-75) we decided on Whispering Palms in Cotton Valley. The house was exactly as listed and our hosts Erin and Mike were great! The email they sent us about the island was super helpful and I found myself

checking their information often! The house itself was super equipped and spotless! We had an issue with a leak in the bathroom and Mike was responsive and took care of it immediately! They were even gracious enough to let us stay longer than anticipated because our travel plans were delayed due to weather conditions back home. It's important to know that you're on the side of a mountain and the driveway is steep. The bottom part is not paved and is a little bumpy but that's to be expected and you can't get these views otherwise! We watched the sun rise and the moon set almost daily! You're close to Ziggys and Point Udall and about 15 minutes away from downtown Christiansted. I would highly recommend this property for anyone looking for a quiet, relaxing place for a large group! We're already planning our trip back!

### Great for big families and kids!

We had the best time staying in this home! The yard was nice and big for our kids..we played bags everyday! There was plenty of room for 6 adults and 3 children (3 separate families). The lower level was nice to be able to split up when we needed to. It is not connected to the upper level, but wasn't a big deal for us. The homeowner, Erin, gave detailed instructions to the residence and also a document giving us restaurant and activity details (names of restaurants, beaches, how to get around). Erin replied so quickly whenever there was a problem or question. We also used their sailing services one morning. If you have a chance to do so, we highly recommend it-book with Sandy Toes Sailing! The house is older, so there were a few problems that go with that, but nothing that made our stay a deal breaker or made it a problem to stay there. If we needed help, an answer was given quickly and efficiently. The house and views were as pictured. The view off the balconies (there are 2!) were absolutely breathtaking! If we get a chance, we would stay here again in a heartbeat. Thanks for a great vacation!

### **Perfect Location and Space for Older Children to Spread Out**

Great location. Quiet area of the island. Close to Ziggy's, Castaways, and Point UDall. Love the split occupancy for privacy when traveling with adult children. We had our privacy, kitchen, and the girls had space too. Erin and Mike are responsive to any issue too. Oh! Check out their sailing options!!!

### **Terrific Property**

We had a wonderful time on St. Croix. The house has an incredible view, including Buck Island, and it is well equipped for a family stay. We would definitely stay here again. The owners were attentive and easy to communicate with, too. The only information a future tenant should know is the driveway is gravel, so a jeep is the preferred vehicle during your stay.
