Home away from home

Great place to relax and unwind. Took our family of five (three kids). We all loved it, and would definitely consider going back. Great communication from the owners leading up to, and during the week (when needed). Very clean and updated unit.

Daniel, Thank you for your kind words. Isn't it just great for the kids too? We've found that to be so true. We'd love to host you and your family again in the future. Patrick and Pam

Perfect spot for multiple family vacation.

We were a group of 27 traveling in from multiple states. Although many of us had travel issues, once we arrived we had an amazing time! Having our own "home bases" but also having the pool, beach, and shack for food and drinks, (and just a group gathering spot) was so convenient. Patrick's condo C-6 was more than we needed for my husband and I and our 2 adult kids. Patrick was very responsive and helpful prior to our trip and an amazing host! We will definitely be back!

Amazing vacation

The place was perfect for our family vacation! The property had everything we needed; pool, beach, bar with food (open in the afternoon), and a beautiful, clean, comfortable spacious condo for the 6 of us, all at a very reasonable price. It's located conveniently between the two towns, near tourist attractions and many nice beaches (Cane Bay is a MUST! Great beach with restaurant/bar across the street, awesome snorkeling off the beach and many turtles just hanging out in the crystal clear water. Both kids and adults loved it). The owners/hosts are incredible! They've thought of every detail and go above and beyond to make guests feel at home. I've stayed in many VRBO's, and this was by far the best for many reasons. Prior to arrival, Patrick sent us a packet of information with places to eat and recommended things to do so we could plan ahead. He was very responsive to text messages if we had any questions. On arrival they had cold water, beer/wine, a "pay it forward" bar waiting for us in addition to many incidentals for the full stay like toilet paper, sunscreen, paper towels, soap, spices, some beach supplies, etc. It wasn't just the standard single starter roll of TP or paper towels, rather they stocked us for the full week! This was super convenient as we arrived late and didn't have to run to the store right away. Note; groceries and food are very expensive on the island. I can't say enough good things about this place and the owners. We will definitely be back there

Gentle Winds, c-6

We enjoyed our stay at this quiet, secluded, beachside condo. Everything was as promised and Hy was attentive to our needs. If you are looking for a place away from the crowds of most all inclusives, you will love Gentle Winds.

Thanks Hiram, we enjoyed having you as our guest. Hy is awesome and thanks for mentioning her. By the way, we've shut the condo down for three months to do a significant remodel- new kitchen, new floors, new doors and more. Please visit us again... it will be better than ever. Warmly, Patrick and Pam

Amazing stay!!

Our party of 6 had an amazing stay. Everything was just as described. Fully stocked and equipped! Plenty of room for everyone. The grounds were well kept and the pool and beach areas were perfect. Nick was amazing at the beach bar and the food was some of the best we had. Patrick was super quick to respond with helpful tips and any questions we had and Hyacinth checked in on us regularly. Will definitely be back!
