Wonderful Location for Families

Our family found this to be the perfect location for exploring the island. However, the Gentle Winds property, with the beautiful views, beach, beach bar, and pool, make relaxing at the condo also very enjoyable. We found the condo to be clean and stocked with many useful items, such as two beach chairs, coolers, ice packs, plenty of beach towels, and a pack-n-play for our young child. The host was also gracious enough to adjust the check-in and check-out times based on our flights, which was sincerely appreciated. We thoroughly enjoyed our stay!

Great trip

Loved the condo, it is a bit dated but who cares-you're on an island. The only cons I can even come up with is the check-in--the directions to the condo are great but the condo number should be I-6 it looks like a 16 and that is somewhat confusing when you Get there late. The only other thing is I wish it had black out curtains in each room. You're on vacation and might like to sleep in, plus the condo gets really warm in the summer evenings and these curtains would help with that as well. Lots of supplies and great beach towels. Condo was very comfortable and lots of room for 4 adults. We would definitely stay here again. Pool and beach at the condo are amazing but

the water isn't the best for playing in because of its size and rocks/coral. Make sure you go to Cane beach right up the road and Flyers restaurant in Fredrickstead.

Paradise by the sea

We had a lovely time staying at this property. Everything you need is included to cook, clean, do laundry, etc. Gentle Winds on the whole was a calm place to enjoy our stay. We especially loved the seaside bedroom, listening to the waves at night was sublime!

Nice clean unit in great location

Thanks for sharing your Gentle Winds condo with us during our visit to St Croix. The unit was very clean and met all our needs. The condo is centrally located allowing easy trips east to Christiansted and west to Frederiksted. Gentle Winds is a very nice, quiet complex with a great pool and beach. This unit is located very close to the beach and has great views of the water and pool area. We would definitely rent again on our next trip to St Croix.

Excellent place to stay!

This condo is beautiful and very close to the beach and pool. There is an exit through the bedroom to the lawn which leads to the beach and pool. The condo is very comfortable for 2 couples; each having their own bedroom and bathroom. Gentle Winds is one of the best places to stay in St Croix. The Beach Shack is a major plus where drinks and food can be purchased! The beach is one of the best in St Croix. We spent a lot of time in the water! I highly recommend this condo!

Fabulous location

This is not the most “updated” condo, but it’s clean, has great amenities, and is in the PERFECT location. We absolutely loved our time here. The host was communicative and accommodating. We’d stay here again!

Wonderful villa

Gentle Winds property is really awesome. The villa was exactly as advertised. Clean and fully stocked with all conveniences expected for a wonderful vacation. Owner was responsive to questions via email in a timely manner. The ocean was no further than 20 yards from the villa's back door. We will hopefully get back to St. Croix and this villa in the future.
